In-Stitches - terms and conditions of ordering

Have you got our 2009 catalogue?

This price list refers to our current product range, which can be found in the 2009 edition of our catalogue. We have selected our range of garments from the world's leading manufacturers to bring you the highest quality in promotional and leisure wear at the most competitive prices possible. If you do not see what you want in our main catalogue, please contact us, we have many other garments available to us and have additional brochures detailing them. Our web site also features additional garments and accessories and can be viewed online at: www.in-stitches.co.uk
All origination and artwork is carried out in our own design studio by our team of qualified graphic designers and we do all of our own printing and embroidery in-house.

Prices: Prices quoted are for un-decorated (blank) garments. Almost all items can be embroidered with your slogan or logo and the first logo on every garment which is purchased from us can be embroidered at a discounted rate of just £2.95 for up to 10,000 stitches in one location. Additional embroidered logos are charged at £4.50 per garment / logo position for up to 10,000 stitches.

For logos over 10,000 stitches add 40p for every additional 1,000 (or part thereof) stitches to the above prices

Individual names can be embroidered on each garment for a cost of £2.95 per garment in addition to any logo costs (where applicable).

Screen Printing: Some items (such as umbrellas) are not suited to embroidery and these items are normally screen printed instead of embroidered. Please ask for a price for your screen printing requirements. A few items in our range are unsuited to either embroidery or screen printing and can only be supplied blank.

Printing or Embroidery Onto Your Own Garments: We will be pleased to quote for your requirements - please ask. Normally our own-garment embroidery charge will be £5 for up to 10,000 stitches plus 50p for every 1,000 additional stitches. Our range of garments has been specially selected for decoration however not all garments purchased generally are as suitable for machine embroidery and customers own-garments are only accepted for embroidery on the understanding that we accept no liability for any damage to garments howsoever caused.

Embroidery Artwork / Origination: There is no set-up charge for basic text-only designs using fonts which we have. We have a stock library of over 15,000 embroidery motifs and designs and any of these can be used without any artwork or set up charges. To have your own logo or artwork embroidered then there will be an origination (punching) charge which is the cost to have the design digitised or converted into an embroidery pattern. Thanks to an arrangement with a new digitising company we have been able to dramatically reduce the digitising cost this year and it is now just £25.00 per logo regardless of the size or number of colours. This is a once only charge - we will keep your design on file for future orders. Digitising cost is based upon digitising an existing logo or motif and does not include design of a new logo (we will be happy to quote for this if required)

Screen printing Artwork / Origination: For screen printing there is a screen set-up charge of £20.00 per colour / print position. Screen charges apply to each order - we cannot keep screens for future orders. If an ink colour change is required during a print run this is charged at £10. For basic text-only designs using fonts, which we have, artwork is free. Artwork charges for specific designs or logos will be quoted once we see a rough sketch of your requirements.

Minimum Orders: We have no minimum order quantities with the exception of some headwear and screen printing orders. Embroidered headwear and all screen printed orders are subject to a minimum order quantity of 24 of each item.

Discount - "Pack Rate" & "Carton Rate": This is the price per garment if you order a full pack or carton of garments which must be all the same size and colour, the pack and carton quantities are shown for each item. This is an effective discount for ordering in larger quantities.

Colours and sizes : Full details of the colours and sizes available for each garment are listed in the catalogue. Please note that for some garments all sizes are not always produced in every colour - again full details are in the catalogue. Colours and sizes may vary between different garments and brands. Colours shown in our literature are only as accurate as the printing process will allow. Please be aware that unless stated otherwise the sizes quoted are "to fit" in inches. They are not indicative of the actual size of the garment as some styles are designed to be worn loose/baggy and others are designed to be worn fitted. These sizes are approximate and for guidance only. You must ensure that garments are suitable before ordering.

Delivery: We normally deliver within two weeks but we will always try to accommodate rush orders - please ask. Goods are despatched by carrier and UK and Ireland delivery is charged at £5.95 per order for orders up to £149 (excl. VAT) and at 4% for orders of £150 (excl. VAT) or over. Please ask for international delivery costs.

VAT: Prices quoted above and in our price list do not include VAT which should be added at the current rate to all prices including garment prices, set-up charges, artwork charges, additional printing / embroidery costs and carriage. Children's garments are exempt from VAT except where indicated. Export Orders are normally VAT Exempt, please ask for details.

Payment: Full payment is required with order - please remember to add delivery and VAT. Most major credit cards are accepted. Returned or re-presented cheques and unauthorised credit cards will be charged at £25. All goods remain the property of In-Stitches until paid for in full.

Liability: No liability is accepted for delays or non-deliveries howsoever caused. All transactions are subject to our full terms and conditions of sale (available upon request). We reserve the right to substitute products whenever necessary and to alter prices and/or specifications without prior notice. We accept no liability for breach of third party copyright. It is the purchaser's responsibility to ensure that any artwork supplied is not the subject of any copyright restrictions. All products are subject to availability. Once a proof or sample is approved we can accept no liability for any errors which were not corrected by the client. This pricelist supersedes all previous price lists. We reserve the right to alter prices and specifications of all products without prior notice.

Complaints: All complaints must be received in writing within 7 days of receipt of goods. No discrepancies can be met after this time.

We value your custom and we are here to help you, if you have any questions about our products, services or prices please do not hesitate to contact us
